Gerstlauer Elektro GmbH **Amusement Rides** Industriestraße 17 D-86505 Münsterhausen Tel. (49) 8281-9968 0 Fax (49) 8281-9968 33 www.gerstlauer-rides.de info@gerstlauer-rides.de

We make the world go round - and your passenger, too. Gerstlauer introduces a new generation of wooden coaster trains: a solid steel chassis with a long-lasting fiberglass bodywork, wearless SKF ball/roller bearings, rubber bushings at wheels and axles for best ride comfort and customizable frame and bogies are only some advantages. The trains can be installed on any standard wooden roller coaster regardless of the manufacturer - making them an ideal choice for both new projects and as replacements on existing "woodies" alike. Designed and manufactured to German DIN 4112.

Technical Data:

Car Dimensions:

~ 6 ft 11 in ~ 4 ft 7 in Length: Width: Height: ~ 3 ft 11 in

Capacity:

No. of cars / train: 6 Cars No of seats / car-4 Seats Total seating: 24 Seats
